

FIRE ISOLATOR

Datasheet Steel Cabinet for Fire Blanket

Product description

The Fire Isolator Steel Cabinet is built strong, specifically made to store the Fire Isolator blanket securely. This cabinet offers a safe and convenient storage solution, keeping your Fire Isolator Blanket easily accessible, close to potential EV fire risks.

Crafted from sturdy sheet steel in a striking red color, our Steel Cabinet is equipped with breakable glass for emergency situations and comes with instructions on how to deploy the Fire Isolator blanket.
